Foreword

The MOHISCO opens.
Our trail stretches ahead.
We look backward and see the winding road that has brought us here.
We look forward toward a limitless future waiting just around the bend.

Gratefully we remember those who first trod Monroe High's path.

They established her traditions and blazed the trail for us.

Humbly we pick up our packs and walk purposefully onward.

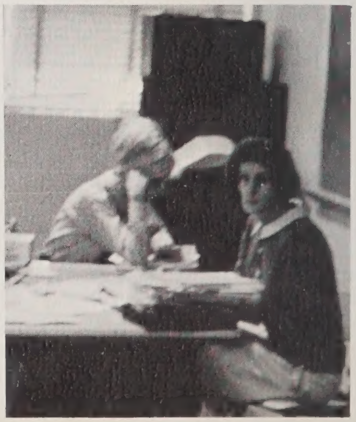
There is much that still must be done, and the trail is beckoning.

Dedication

Each year the Senior Class dedicates the MOHISCO to the person who they feel is the most deserving.

This year we wish to give this honor to a person who has given us not only her knowledge but also her sincere friendship. We could never thank you enough for what you have given us, but we will try to show a little of our appreciation by dedicating this, our 1967 MOHISCO, to you . . .

Mrs. Frank Hunley



Administration

Board of Education

SEATED – Mr. Oscar W. Broome, Secretary; Mr. J. C. Plyler; Mr. Jack Hernig; Mr. George Young; Mr. Ralph Owen, Chairman; Mr. A. J. Helms. STANDING – Mr. Koy Dawkins, School Board Attorney; Mr. James R. Huntley. Absent – Mr. Tom Winchester; new members – Mr. Fred Parker; Mr. Bill McInnis.

We the students of Monroe High School, owe a measure of gratitude to the Board of Education. Although we often do not realize that they are working quietly "behind the scenes," our Board is continually faced with the important tasks of forming school policies, keeping the school provided with necessary equipment, and helping the school to run smoothly. A member of the Board of Education gets little recognition for many hours of hard work. We would like to say to all of you, who have played such a major role in our high school life, a very sincere, "thank you."

Superintendent of Monroe City Schools

MR. OSCAR W. BROOME
Duke University, A.B.
A.S.T.C., M.A.

The concern and interest that our superintendent, Mr. Broome, has for us is clearly evident not only to the student body of M.H.S. but also to the entire community of Monroe. Although he is a very busy man, Mr. Broome finds time to be both friend and advisor to many students.

Several of the important additions that have been made through his efforts in recent years in Monroe city schools are class-rooms, cafeterias, a gymnasium, and a covered walkway. New federal projects, such as Title 1 and 11, Head Start, and Adult Education, are keeping Mr. Broome busier than ever as he works for the betterment of education in the Monroe school system.

Supervisor of Monroe City Schools

MR. DAVID P. THURMAN
A.S.T.C., B.S., M.A.

As supervisor of Monroe City Schools, Mr. Thurman works closely with the N.D.E.A. and Mr. Broome to co-ordinate the work between schools. We are very grateful for the time and effort he spends in developing an improved program for the Monroe City Schools.

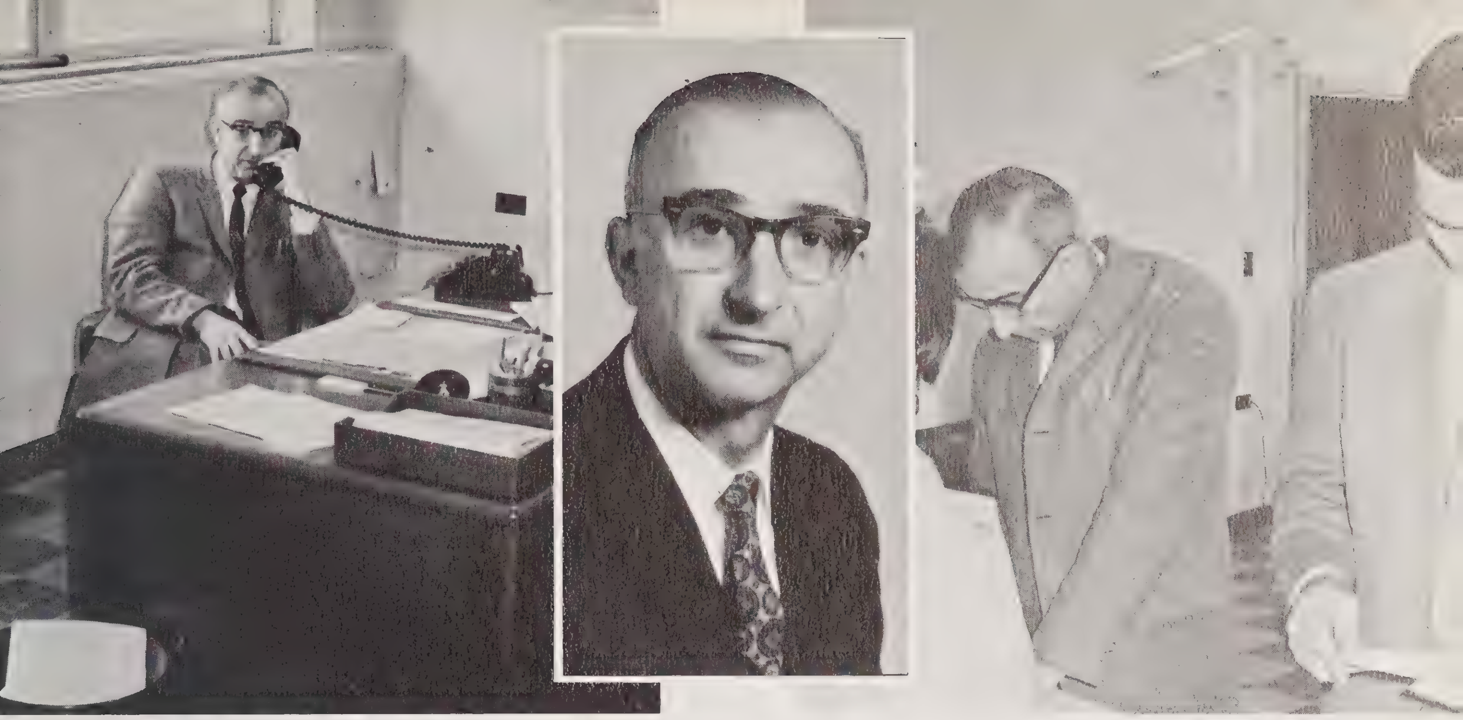
Principal

MR. I. B. SHIVE
Wake Forest, B.A.
U.N.C., M.Ed.

To the Senior Class Of 1967:

First, may I congratulate you upon your impending graduation from high school. I feel sure that your graduation will be just reward for your hard work during the past several years. You have been in high school during a period of unprecedented growth and change in our school and in education generally. You are to be commended for the fine spirit you have shown in adjusting to these changes.

My wish for each of you is that you may have a happy life and as much success as will be good for you.



Our Appreciation

There are so many people who give themselves wholeheartedly to the end that we, the students of Monroe High School, may receive the best possible education. Few of us have ever taken the time to thank Mr. Shive and his associates for all their help and sincere interest in us. Each of us knows that you, Mr. Shive, have done a superb job with a tremendously difficult task this year. For this, we humbly and sincerely thank you.

Foreign Exchange from Uruguay

Cristina del Pino, our foreign exchange student from Trinidad, Uruguay, is the first A.F.S. student to come to Monroe from South America. Cris arrived in August, 1966, and she is living with the Fred Parker's. Cris's bubbling personality and enthusiasm, along with her willingness to learn, have sent her headlong into a wonderful year in the United States.

Foreign Exchange to Austria

Suzy Owen lived in Austria as an A.F.S. student during the summer of 1966. During July, she lived in Heiligenkreuz with Dr. and Frau Herbert Horejschi and their two daughters, Gabriele and Susanna. With them, Suzy visited many of the landmarks and old castles of Burgenland. Her second family, Herr and Frau Rohringer and 19-year-old daughter Christa, with whom she stayed in August, lived in Linz, in upper Austria. They took Suzy to Salzburg and the famous lake district of the Alps. A highlight of Suzy's unforgettable trip was her three-day visit to Vienna.

Our deepest thanks go to Mrs. Linda F. Hilton for help and guidance that she has given us in the past few months on our annual. We could never successfully express our gratitude for all that she has given us. She has been a friend and co-worker, giving of her time and energy. Without her, our annual would never have been completed. We hope that the annual this year lives up to your expectations. If it does, you can give Mrs. Hilton much credit.

Linda Didow, Editor-in-Chief of the 1967 MOHISCO has devoted her time and ability in leading our work on the annual this year. Thank you, Linda.

The Big "M"

The Monogram Club is an honorary organization for athletes who have shown enough skill in their individual sport or sports to earn a varsity letter. In order to letter, one must play at least sixteen quarters in football and basketball and sixteen innings in baseball. Managers who have earned a letter and cheerleaders who have been on the varsity squad for three years are also initiated into the organization. The "Big M", which is in charge of selling refreshments and programs at games, is one of the most active organizations on our campus.

The annual Monogram-Faculty Game is a great deal of fun for everyone — especially the students.

The Marshals of Monroe High School 1965-66 were chosen on the basis of their scholastic achievements in high school through their Junior year. During the last week of school, the Marshals were very busy arranging the stage, cleaning up the auditorium, practicing their duties, and inserting song sheets in programs. The Marshals performed their official duties at the Commencement exercises — Baccalaureate Sermon, Award's Day, and Graduation.

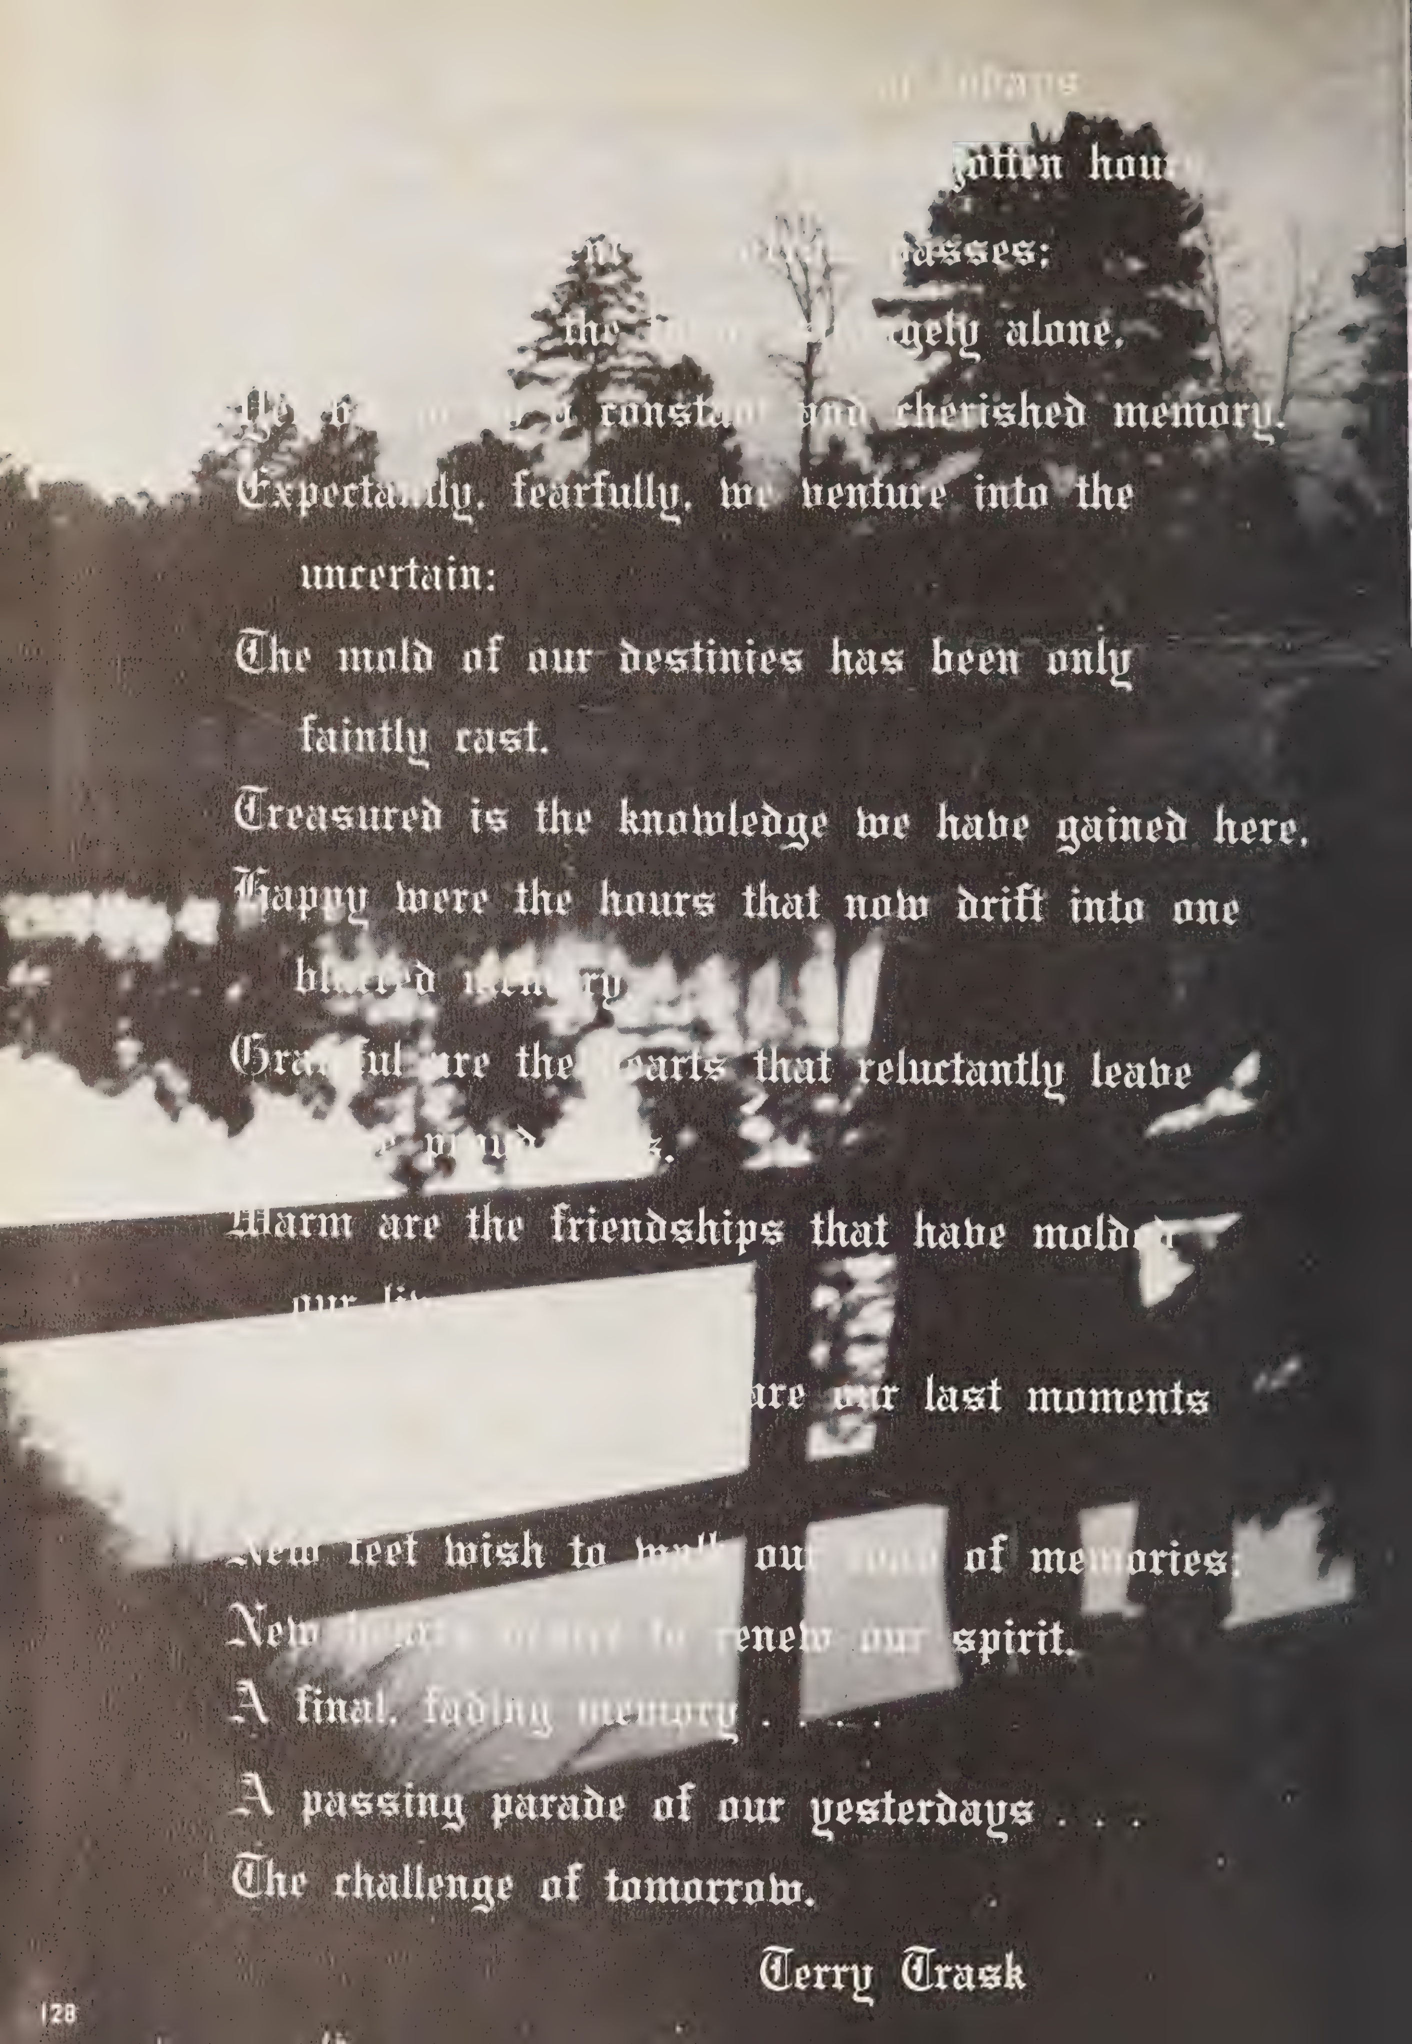
Monroe High School Alma Mater

We'll walk the halls of this, our school,
our heads we'll hold up high;
The memories we have . . .
will never die.
Our inspiration be from knowing
one like thee;
So here's to thee, oh, Monroe High,
we pledge our loyalty.

Oh, sing her praises loud and strong,
let all our voices peal;
Oh chant her praises from . . .
the highest hill.
Oh, Alma Mater we, to thee
will ere be true,
A prayer for thee, oh, Monroe High
may God bless and keep you.



[illegible] days
[illegible] gotten hou[illegible]
[illegible] passes;
the [illegible] gely alone,
We [illegible] constant and cherished memory.
Expectantly, fearfully, we venture into the
uncertain;
The mold of our destinies has been only
faintly cast.
Treasured is the knowledge we have gained here.
Happy were the hours that now drift into one
blurred memory.
Grateful are the hearts that reluctantly leave
[illegible] proud [illegible].
Warm are the friendships that have molded
our li[illegible]
[illegible] are our last moments
[illegible]

New feet wish to walk our [illegible] of memories;
New [illegible] to renew our spirit.
A final, fading memory . . . .
A passing parade of our yesterdays . . .
The challenge of tomorrow.
